## **WaltDisneyCompany Case Study:**

Walt Disney is one of the biggest American corporations on the market of entertainment in the world.

The company was founded in 1923 by the two brothers: Walter and Roy Disney and served as a small animation studio which developed into a great corporation very fast. Today Walt Disney is the biggest Hollywood studio which owns 11 theme parks and two aqua parks and a few broadcasting television networks, including ABC. The popularity of Walt Disney began to grow from 1927, when the world famous cartoon character Mickey Mouse was created. From 1929 to 1938 Disney worked on the cycle Silly Symphonies, which included more than 70 masterpieces Alice in Wonderland, The Ugly Duckling, etc. and the famous characters like Donald Duck, Goofy and Pluto appeared. Disney earned much money on its characters, which became so popular and loved everywhere, that dozens of commixes; ads and various souvenirs were created with their images.

Disney studio has created a great number of lovely characters which won love and respect of children in the world. For example, the Mermaid, Aladdin and Bambi can be called one of the most successful characters which can compete with Mickey Mouse and Donald Duck. Walt Disney creates not only cartoons, but also movies and can be called the most successful studio today. It shoots films for children and grown-ups using up-to-date technologies and special effects which coexist with the wonderful plot. The most famous ones Lion King, Toy Story (the first cartoon created with the help of computer technologies), Pirates of the Caribbean Sea, etc. When
