

Egypt country, the continent of africa

**ASSIGN
BUSTER**

Egypt, is a country located in the far north-east of the continent of Africa, bordered on the north south-east coast of the Mediterranean Sea on the east coast of north-west of the Red Sea and an area of 1, 002, 450 square kilometers. Egypt is a state for the majority of its territory in Africa, however, part of its territory, the Sinai Peninsula, is located in the continent of Asia.

Egypt borders to the west with Libya, and south with Sudan, and north-east with Israel, the Gaza Strip, overlooking the Red Sea from the eastern side. Pass through its territory the Suez Canal, which separates the Asian part of this part of Africa.

The focus of most of Egypt's population in the valley of the Nile, particularly in Greater Cairo, which nearly a quarter of the population, and Alexandria; also live most of the population remaining in the Delta and on both coasts of the Mediterranean and the Red Sea and the cities of the Suez Canal and occupy the premises as a 40 thousand square kilometers. While a majority of the desert area of the Republic and is not built-up. Most of the population in Egypt is now urban, a quarter in the Greater Cairo.

[Edit]origin of the name

Egypt's name in Arabic and other Semitic languages, is derived from the root of an old Sami could mean the country or simple (period), which also means for tressor Almknop.

While the Hebrew name Mizraim mentioned inthe Torah (OldTestament) as the son of welding Ben Noah, a grand father who hails from the ancient Pharaonic people to the knowledge of mythology, biblical (Genesischapters 10,[1]6), and known to Arabs as “ Egypt.”

Name that was known for the Pharaoh in their home language is the KMT, which means “black earth”, a metaphor for the land of the Nile Valley and the black to distinguish it from the red desert earth Dchert surroundings.

Names are defined in several European languages derived from the name in Latin Ijptos Aegyptus derived in turn from the Greek Oijeptus, the name is explained by some as a derivative of the Ka Ptah landed a focus of the spirit of Ptah is the name of the Temple of Ptah, in the ancient capital of Memphis, in keeping with an ongoing exercise to the day in the commonality between the country's name and the name of its capital.
