

# Beauty and brain

**ASSIGN  
BUSTER**

Beauty is not about having a beautiful skin, or body. It's about what's within. If you have a good and a pleasing personality, then you have to consider yourself beautiful from within. In behalf of being beautiful, let's just don't forget about having a well-functioned brain. Like for example, joining beauty pageant. People would probably say 'What is beauty if brain is empty' when judges must ask you a question. So we must study hard to consider ourselves Beauty and Brain. Beauty is not about having a beautiful skin, or body.
