Share Scrolling through my cellphone for the 20th time today Reading that text you sent me again Though I memorized it anyway It was in afternoon in December When it reminded you of the day When we bumped into each other But you didn't say hi cause I looked away And maybe that was the biggest mistake of my life

And maybe I haven't moved on since that night Cause it's 12: 51 and I thought my feelings were gone But I'm lying on my bed, thinking of you again And the moon shines so bright, but I gotta dry these tears tonight Cause you're moving on and I'm not that strong to hold on any longer Oh oh oh oh... Then I saw you with her Didn't think you'd find another And my world just seemed to crash Shouldn't have thought that this would last [ Lyrics from: <http://www.lyricsty.com/krissy-and-ericka-1251-lyrics.html> ] And maybe that was the biggest mistake of my life

And maybe I haven't moved on since that night Cause it's 12: 51 and I thought my feelings were gone But I'm lying on my bed, thinking of you again And the moon shines so bright, but I gotta dry these tears tonight Cause you're moving on and I'm not that strong to hold on any longer As the sky outside gets brighter And my eyes begin to tire I'm slowly drowning In memories of him And I know it shouldn't matter As my heart begins to shatter I'm left to wonder Just how it should have been... yeah... 12: 51 and I

thought my feelings were gone But I'm lying on my bed, I'm not thinking of you again

Sometimes giving up doesn't mean you're weak; it just means you're strong enough to let go. years ago Key Best Answer - Chosen by Asker " There are things that we never want to let go of, people we never want to leave behind. But keep in mind that letting go isn't the end of the world; it's the beginning of a new life. " " We find by losing. We hold fast by letting go. We become something new by ceasing to be something old. " " In the end these things matter most: How well did you love? How fully did you love? How deeply did you learn to let go? " " Trying creates impossibilities, letting go creates what is desired. " " We must learn to let go, to give up, to make room for the things we have prayed for and desired. " We must be willing to let go of the life we have planned, so as to accept the life that is waiting for us. " " Letting go doesn't mean we don't care. Letting go doesn't mean we shut down. Letting go means we stop trying to force outcomes and make people behave. It means we give up resistance to the way things are, for the moment. It means we stop trying to do the impossible--controlling that which we cannot--and instead, focus on what is possible--which usually means taking care of ourselves. And we do this in gentleness, kindness, and love, as much as possible. " P. S. Hope this helps! Let me know if you need more!

" " Do you know that feeling of being completely indifferent? So much that it hurt? So much that it makes you bitter? I guess you wouldn't know unless you've experienced it. It's that feeling of being totally stuck, not knowing what to do or where to go from here.
