

Bshs week

Technology

Questions Write a 1, 050- to 1, 400-word paper In which you Identify three barriers to services, planning, funding, or empowerment in a selected aspect of human services. How does community development help address these barriers? Discuss how applications of technology could be utilized as a means to overcome each of these barriers.

Include at a minimum the applications that utilize word processing, presentation, broadsheet, database, and report generating applications. You may also include communications software, media such as video, and other types of technology in your discussions. Format your paper consistent with PAP guidelines. Sit down as a family each Sunday and discuss the upcoming week. This allows everyone to know what is expected of them during the week and how each person can help make the week more successful.

Planning also gives everyone the opportunity to take part in field trips and projects.
